

ISSMA Band festival
Friday, April 3rd 2009 **(DATE CHANGE!!!!)**
Columbus East High School - Columbus, IN

Dear band parents and students;

We have the unique opportunity to perform our festival on a Friday evening instead of a Saturday. This is our equivalent of the ISTEP test because it is an evaluation of the program and whether or not we are being accountable for the music education standards listed by the state of Indiana. All parents are welcome to attend and to enjoy this wonderful event. Your children have worked very hard and I am very proud of their collaboration and accomplishment.
